

JULY 2026

MIN Y TRAETH

YSGOL EIFIONYDD BULLETIN

A FEW WORDS FROM THE HEADTEACHER

Dear Parents and Carers,

As we reflect on another successful summer term, I would like to thank our pupils, staff, parents and the wider community for their continued support. It has been an extremely busy and rewarding term, filled with opportunities to learn, compete, perform and celebrate achievements across every aspect of school life. As we look ahead to the summer holidays, I would like to thank everyone for their hard work and commitment throughout the year. I wish you all a safe and enjoyable summer, and we look forward to welcoming everyone back in September for another exciting school year.

Mr Dewi Rhys Owen

Improving Our School Facilities

A huge thank you to our pupils, parents, carers and staff for their valuable feedback regarding the school's toilet facilities. Listening to the views of our pupils and wider school community is extremely important to us, and as a result, significant improvement work will take place over the summer holidays.

The main boys' toilets will undergo a complete refurbishment, while two staff toilets on the upper floor will be upgraded to modern standards. In addition, the Year 7 toilets and the girls' toilets will receive light maintenance work to refresh their appearance and maintain the facilities.

Although the boys' toilets were rebuilt by the Local Authority around six years ago, the materials used have not proved to be as durable or of the quality we had expected. The school will therefore invest in high-quality replacement facilities designed to withstand the demands of everyday school life, ensuring they are ready for pupils in September.

This investment demonstrates how the voices of our pupils and school community directly influence decisions that improve everyday life at Ysgol Eifionydd.

Further improvements are also planned for the courtyard between the Design & Technology Department and the main school building. The existing canopy will be extended to provide additional shelter from both rain and sunshine. The small garden beside the Textiles classroom will also be transformed into a quiet, safe and welcoming wellbeing space where pupils can relax or take time out during the school day. As well as supporting wellbeing, the garden will become an outdoor learning area where pupils will grow plants, vegetables and fruit as part of their Health and Wellbeing curriculum, helping them develop an understanding of wellbeing, sustainability and healthy living.

In addition, the paved courtyard will be resurfaced, as several paving slabs have become loose and uneven. This work will create a safer, more accessible environment for everyone.

The National Grid Project

Over the coming years, Ysgol Eifionydd will experience one of the most significant changes to its site in decades as a result of the Pentir-Trawsfynydd National Grid electricity infrastructure project. Led by the National Grid, this major development forms part of a nationwide programme to strengthen the electricity network across North Wales and secure a more resilient energy supply for the future.

To facilitate the project, the National Grid will require the use of a substantial area of the school grounds. From approximately Spring 2027, the school's football pitch and adjoining field will be unavailable for a period of more than three years. Once the work has been completed, the land will be fully reinstated and returned to the school.

The temporary loss of these areas will have a significant impact on everyday school life. The football pitch is used by hundreds of pupils each week during break and lunchtime for football and informal physical activity, while the adjoining field is a popular space during the summer months where pupils enjoy relaxing and socialising outdoors.

Although the loss of these facilities is disappointing, the National Grid has agreed a number of mitigation measures to support the school throughout the construction period. These include funding towards the use of Glaslyn Leisure Centre facilities where appropriate, access to the athletics facilities at Treborth, and additional transport funding to enable school teams to travel to away fixtures. As the school pitch will be unavailable, all school football matches will be played away from home during this period.

As part of the agreement, Gwynedd Council received over £95,000 in capital funding for the temporary use of the school grounds. We are delighted that the Council has agreed to ring-fence this funding for the benefit of Ysgol Eifionydd. Following discussions with the Governing Body and a review of the school's priorities, the funding will be invested in the complete refurbishment of the school's tennis courts, which are currently in poor condition. The project will include resurfacing the courts, installing new fencing and upgrading the facilities to provide a modern, safe and high-quality sporting resource for PE lessons and extracurricular activities.

While no development can replace the temporary loss of the football pitch and field, we believe this investment will leave a lasting and positive legacy for our current pupils, future generations and the wider community.

We would like to thank the National Grid for their cooperation throughout the process and Gwynedd Council for supporting this important investment in Ysgol Eifionydd. We will continue to keep parents and the wider community informed as the project progresses.

A New Chapter for the Ysgol Eifionydd Community

As another school year draws to a close, we bid farewell to several valued members of staff while also welcoming both familiar and new faces to Ysgol Eifionydd.

After 29 years of dedicated service, Mrs Glenda Murray, Head of Humanities and Geography teacher, will be retiring. Throughout her career at Ysgol Eifionydd, she has inspired generations of pupils and organised countless educational visits, both locally and across Europe, including memorable trips to France and Italy. These experiences enriched pupils' learning and created lasting memories for many. We would like to thank Mrs Murray sincerely for her dedication, leadership and outstanding contribution to the school over the years, and wish her a long, happy and well-deserved retirement.

We also say a partial farewell to Mrs Helen Puw, who has taught Mathematics at Ysgol Eifionydd for 31 years. Mrs Puw has earned the respect of pupils, parents and colleagues alike, and her students have consistently achieved excellent results in Mathematics. We are delighted that she has agreed to continue supporting the school for two days each week, focusing particularly on our GCSE pupils. We thank her for her exceptional commitment, high standards and many years of dedicated service.

We also bid farewell to Mrs Bethan Tipton, who retires after many years of service as a Senior Teaching Assistant. Bethan has supported countless pupils throughout her career, particularly through her valuable work promoting pupils' mental health and wellbeing as part of the school's ELSA provision. Her kindness, care and compassion have made a lasting difference to the lives of many young people. We thank Mrs Tipton sincerely for everything she has done and wish her every happiness in her retirement.

We also say farewell to Miss Lois Evans while extending a very warm welcome back to Mrs Llio Griffiths following her maternity leave. During the past three years, Miss Evans has made an outstanding contribution to Ysgol Eifionydd, teaching across the Health and Wellbeing and Expressive Arts Areas of Learning, while leading and supporting a wide range of school activities, competitions and events. Her enthusiasm, energy and willingness to take on any challenge have had a hugely positive impact on school life. As Miss Evans begins an exciting new chapter, we thank her for her dedication and wish her every success for the future.

At the same time, we are delighted to welcome Mrs Llio Griffiths back to Ysgol Eifionydd. It is wonderful to have her back with us, and we look forward to the valuable contribution she will once again make to our school community.

Looking ahead to the new academic year, we are pleased to welcome Mr Ifan Jones, who joins us in September as our new Head of Humanities and Geography teacher. Later in the year, Mr Elgan Rowlands will also join the Mathematics Department, and we look forward to welcoming them to the Ysgol Eifionydd community.

We have also recently welcomed Ms Alaw Owen and Ms Catrin Jones as our new Additional Learning Needs One-to-One Teaching Assistants. They will provide valuable support to pupils and play an important role in meeting the individual needs of our learners.

We wish everyone who is retiring or embarking on a new chapter every happiness and success, and extend a very warm welcome to all the new members of staff who have joined, or will be joining, Ysgol Eifionydd.

Congratulations to Our Reading Team!

Congratulations to Cora, Swyn and Gwawr for representing Ysgol Eifionydd in the Reading Competition.

The three pupils were excellent ambassadors for the school, demonstrating enthusiasm, confidence and a love of reading throughout the competition. We are extremely proud of their commitment and achievement. Well done, girls!

Climbing the Ladder

Here is a selection of the Welsh-language infographics created by our Year 7 pupils as part of their *Dringo'r Ysgol* unit of work and their homework competition for the School Eisteddfod. Congratulations to Gwern and Alena on their excellent work!

Exploring the Heroes of Tremadog

As part of their studies in the English Department, a group of Year 7 pupils enjoyed a walking tour of Tremadog, visiting historic locations linked to their topic, Heroes and Heroines of Wales.

During the visit, pupils explored the birthplace of Lawrence of Arabia and visited Plas Tan-yr-Allt, once home to William Alexander Madocks and, for a time, the renowned poet Percy Bysshe Shelley. The visit brought their learning to life by connecting history and literature with places right on their doorstep.

Our sincere thanks go to the owners of Plas Tan-yr-Allt for their kindness in allowing us to visit

A Unique Sheep Shearing Experience

A group of Year 7, 8 and 9 pupils enjoyed a memorable day on Wednesday learning the traditional skill of sheep shearing. For many, it was their first experience of shearing, while others had the opportunity to further develop their skills under the guidance of local experts.

The day provided an excellent opportunity to learn practical skills, enjoy new experiences and have fun. Everyone gained a great deal from the experience.

Our sincere thanks go to Dafydd Rhent, Dafydd Gwag y Noe, Korey and Anna for sharing their time and expertise, to Guto Llwyn Mafon for providing the sheep, and to the school catering team for preparing a fantastic lunch. It was a hugely successful day and one our pupils will remember for years to come.

An Afternoon of Singing with Mei Gwynedd

Our Year 7 and 8 pupils enjoyed a fun-filled and energetic afternoon with Mei Gwynedd during a singing workshop at Y Ganolfan, Porthmadog.

The session gave pupils the opportunity to sing together, enjoy live music and build their confidence in a lively and inspiring atmosphere. Our sincere thanks go to Grant y Gymraeg for funding this fantastic opportunity for our pupils, and to Mei Gwynedd for delivering such an enjoyable and inspirational workshop. Thank you for a wonderful afternoon!

Congratulations to the Cast of Sister Act!

Congratulations to the cast of the Gwynedd Music Service production of Lleian-Od (Sister Act) on their outstanding performances at Galeri. We are incredibly proud that five Ysgol Eifionydd pupils took part in this successful production. Pictured (left to right) are Elain Siôn, Elin Jones, Erain Jên, Ffion Thomas and Gwenllian Thomas. Taking part in a production of this standard requires dedication, talent and many hours of rehearsal, and the girls were outstanding ambassadors for our school.

Mathematics in the Workplace with Wynne Construction

Year 9 Sets 1 and 2 took part in an exciting workshop led by Wynne Construction, discovering how mathematics plays a vital role in the world of work. During the session, pupils stepped into the role of a Quantity Surveyor, working in teams to calculate flooring quantities, estimate material costs for different house types and apply trade discounts—just as they would on a real construction project.

The workshop gave pupils an excellent insight into how the mathematical skills they learn in the classroom are applied in real-life careers, while also developing their problem-solving, teamwork and communication skills.

Our thanks go to the team at Wynne Construction for delivering such an inspiring and valuable experience, and to Careers Wales for organising the event.

A Special End-of-Term Celebration

The summer term came to a close with a special celebration assembly, providing an opportunity to reflect, celebrate achievements and thank those who have contributed so much to school life.

During the assembly, we paid tribute to the members of staff who are leaving Ysgol Eifionydd this year, recognising their dedication and valuable contribution to our school community. At the same time, we were delighted to welcome back members of staff returning to the school and look ahead to an exciting new chapter in September.

The assembly ended on a spectacular high with a performance by Panorama, a brand-new Year 7 band formed especially for this year's School Eisteddfod. Their energetic performance of Nirvana's Smells Like Teen Spirit received an incredible response from the audience and no doubt took a few members of staff back to their own school days and teenage years!

Congratulations to Joel, Deian, Iwan, Cynan and Hayden on such a confident and professional performance. You have an incredible amount of talent, and we look forward to seeing what the future holds for Panorama. Well done, you have a very bright future ahead of you!

Creative Inspiration with Catrin Williams

It was a pleasure to welcome artist Catrin Williams back to Ysgol Eifionydd for a day of creativity and inspiration.

During her visit, Catrin shared the story of her successful career as a professional artist, offering pupils an inspiring insight into the creative industries and the opportunities they provide. Year 7 pupils and our Year 10 GCSE Art & Design students then took part in practical workshops, studying her work and developing their own creative ideas.

The visit was an extremely valuable experience, and pupils were inspired by Catrin's knowledge, enthusiasm and expertise. Our sincere thanks go to Catrin Williams for giving her time and inspiring our pupils.

Creativity Shines

It has been another busy and highly successful term for the Expressive Arts department (i-Greu), with pupils enjoying a wide range of opportunities to develop their creativity, perform and compete at both local and national level.

One of the highlights of the term was the success of our pupils in art and music competitions. Cynan Hughes achieved success at the Urdd Eisteddfod (Eryri Region), winning second place in both the Manipulated Photograph (Years 7-9) and Black and White Photography categories, as well as third place for his series of black and white photographs. Eleri Hinde won first prize for her artwork at the Mynytho Eisteddfod, while Gwern Pugh qualified for the National Urdd Eisteddfod in both the Percussion Solo and Piano Solo competitions for Years 7-9. Congratulations also go to Gwen Prew, who was awarded the Robin Gwynant Memorial Cup as the Most Promising Player of the Oakley Brass Band.

Within school, our Year 7 and 8 School Eisteddfod was a tremendous success, with pupils showcasing their talents in Art, Music and Drama while celebrating Welsh culture and creativity. Year 7 and 8 pupils also enjoyed a special performance by the Gwynedd and Anglesey Music Service Tutors' Band, providing inspiration for our young musicians.

Pupils also benefited from valuable opportunities to learn from industry professionals. Ed Holden delivered a creative workshop for Year 7 pupils, while the department collaborated with Elgan from Franwen on the creative project 'Fa'ma', providing exciting new experiences for our learners.

We are incredibly proud of everything our pupils have achieved and look forward to many more creative opportunities in the coming school year.

Designing a New Identity for Our School Houses - Here is a glimpse of some of the exciting designs created for the new Ysgol Eifionydd House logos. It has been fantastic to see our pupils applying their Design & Technology skills to produce such creative and imaginative ideas. The progress has been outstanding, and we look forward to seeing the winning designs developed into the official house logos, ready to feature on kit, competitions and house events in the future.

Celebrating Talent and Creativity at the School Eisteddfod

Once again, the Ysgol Eifionydd School Eisteddfod was a fantastic celebration of talent, creativity and Welsh culture. Year 7 and 8 pupils had the opportunity to perform, compete and showcase their talents on stage and in a wide variety of creative competitions, making it a day full of enjoyment and community spirit.

Congratulations to our Year 10 Product Design pupils for designing this year's unique Eisteddfod medals. Elis Jones won first prize, with Elin Jones in second place and Ifan Wood in third. The standard of work was exceptionally high, and their medal designs added a distinctive and personal touch to this year's festival.

A huge thank you to Miss Alaw Roberts for her dedication in designing and producing the medals, and to Mrs Llio Dudley Roberts, Miss Siân Alun and Miss Lois Evans for the enthusiasm, commitment and countless hours they devoted to rehearsing and preparing pupils for the big day.

We would also like to thank Ffion Emyr for returning to Ysgol Eifionydd to adjudicate the stage competitions, and Mrs Glenda Murray for leading the day with her usual professionalism and enthusiasm, ensuring everything ran smoothly.

Congratulations also to all three school houses for their tremendous efforts throughout the day. Glaslyn claimed the overall title with 800 points, followed by Hebog with 685 points and Dwyfor with 675 points. The competition was closely fought, with every house contributing to the wonderful atmosphere of the festival.

The Eisteddfod was a wonderful celebration of our pupils' talent, commitment and creativity. Congratulations to everyone who took part, and thank you to all the staff, judges and volunteers who helped make the event such a tremendous success.

Capturing the Moments

Cynan Hughes and Simi Cook were the official photographers for this year's School Eisteddfod. The pair did an outstandingly professional job capturing the highlights of the day and preserving so many special moments through their photography. Excellent work, boys!

Innovation, Creativity and Practical Learning in Design & Technology

It has been another busy and successful term in the Design & Technology Department, with pupils enjoying a wide range of creative, practical and real-world learning experiences both in school and within the wider community. Congratulations to Annabelle Green, who proudly represented Ysgol Eifionydd in the CogUrdd Cookery Competition at the National Urdd Eisteddfod, showcasing her excellent culinary skills on a national stage.

During the term, Year 9 pupils welcomed Food and Drink Skills Wales, gaining a valuable insight into careers and opportunities within Wales' food and drink industry. They also met representatives from Bangor University, learning more about higher education and the exciting career pathways available to them in the future.

Our Year 7 pupils took part in an exciting workshop where they designed and developed their own energy drink, combining creativity with learning about nutrition, product design and marketing.

Creativity was also on display as Year 7 and 8 pupils designed new logos for the school's house system. The standard of entries was exceptionally high, and the winning designs will now be developed into the official house logos for future competitions and events.

Meanwhile, Year 9 pupils designed and produced this year's School Eisteddfod medals, using their design and manufacturing skills to create unique awards that added a special touch to the celebration.

These experiences reflect the department's commitment to providing meaningful opportunities that develop creativity, problem-solving and practical skills, while helping pupils understand how classroom learning can be applied in the real world.

Gyrfu Cymru
Careers Wales

Green Careers Day

At the end of June, ten Year 8 and Year 9 pupils attended the Green Careers Day at Plas Tan y Bwlch.

Throughout the day, pupils took part in a series of engaging, hands-on workshops led by Eryri National Park Authority, the National Trust, the North Wales Rivers Trust, the North Wales Wildlife Trust, Plas y Brenin, and ecologist Ben Porter. The event provided an excellent opportunity to explore the wide range of careers available in environmental conservation, sustainability and the outdoor sector.

Congratulations to all of our pupils, who received special praise for their excellent behaviour, enthusiasm and positive attitude throughout the day, despite the exceptionally hot weather. Well done to everyone involved!

Here are some of the photographs taken by Cynan and Simi during this year's School Eisteddfod

A Successful Term for Our Sports Teams

It has been another busy and successful term for Ysgol Eifionydd's sports teams, with pupils proudly representing the school in football, rugby and athletics across the region. Although results did not always go our way, our pupils demonstrated outstanding commitment, teamwork and sportsmanship in every competition. The Year 8 boys' football team competed in the Gwynedd Cup in Treborth, battling hard throughout the tournament and earning a well-deserved 1-1 draw against Ysgol Friars. In rugby, the Year 7 boys gained valuable experience at the Meirion/Dwyfor Super 12s Tournament, while the Year 9 team enjoyed an excellent run of friendly victories, defeating Ysgol y Berwyn (45-5), Ysgol Brynrefail (30-0) and Ysgol Syr Hugh Owen (15-5).

The NASUWT Athletics Championships proved to be another highlight of the term, with both our boys' and girls' teams producing outstanding performances.

The Year 7 boys' team finished second overall, thanks to excellent performances from Kian Roberts (1st in the hurdles and 2nd in the javelin), Joel Campbell (1st in the 200m) and Simi Cook (1st in the high jump). Dyfan Pritchard claimed second place in the high jump for Year 8, while Dyfan Price-Clishem, Callum Smith and Iago Jones all won their respective events in the Year 9 and 10 competition. Owain Dafydd, Harry Hemmings-Chick, Dylan Shakespeare and Ifan Shakespeare also secured podium finishes, with the team placing fifth overall, just eight points behind second place.

Our girls' teams also enjoyed an outstanding competition. In Year 7, Siwan Jones won the discus, Rosey Stanley finished second in the shot put, and Elena Roberts took third place in the javelin, helping the team finish fifth overall. In Year 8, Isla Quaek claimed second place in the hurdles, with the team also finishing fifth.

The Year 9 and 10 girls' team had an exceptional competition, finishing third overall, just one point behind second place. Outstanding performances included Sadie Cook, who won the high jump; Daisy King, who finished second in the hurdles and third in the long jump; Pola Rosinska, Mia Roberts and Lisa Williams, who all claimed second places in their events; while Mari Evans, Elain Perry and the relay team all secured third-place finishes.

Congratulations to everyone who represented Ysgol Eifionydd this term. Whether on the pitch, the track or in the field, your commitment, determination and team spirit have made the whole school proud. We look forward to seeing what you achieve next season.

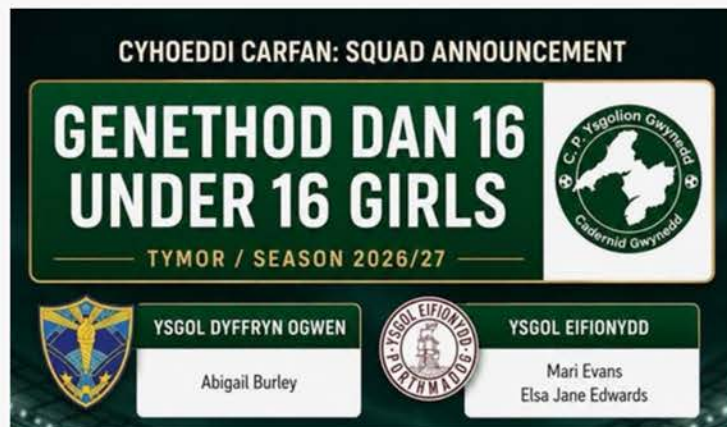

Congratulations to Dwyfor House and Hebog House, winners of this year's Year 7 and Year 8 Rounders Tournament.

Sporting Success Beyond School

Many of our pupils have also enjoyed success outside school. Congratulations to Siwan Jones and Mari Evans, who have been selected to represent Caernarfon Football Club. Mari Evans and Elsa Edwards have also earned places in the Gwynedd representative squad.

Congratulations also to Daisy King, who has achieved excellent success in dance and cheerleading, demonstrating exceptional dedication and talent. We look forward to hearing more about her achievements in the future.

A Great Day at the School Sports Day

Pupils from across the school came together for this year's School Sports Day, enjoying a fantastic day of friendly competition and athletic achievement.

Congratulations to our Victrix Ludorum and Victor Ludorum winners:

- Year 7: Anna Baillot, Paige Mulholland and Joel Campbell
- Year 8: Elenid Wynn and Riley McGuigan
- Year 9: Mia Roberts and Ianto Madigan
- Year 10: Pola Rosinska and Lucas Smith

Congratulations also to Hebog House, who claimed the overall title with 526 points, ahead of Dwyfor (466 points) and Glaslyn (373 points).

Well done to everyone who took part and helped make it such an enjoyable day.

London Marathon Challenge

Earlier this term, Year 7, 8 and 9 girls successfully completed the TCS London Marathon Challenge, demonstrating determination, resilience and fantastic teamwork. The girls were inspired by the She Ultra Pen Llŷn event, as well as the outstanding achievement of Miss Elliw Haf Roberts, our French teacher, who completed the London Marathon. Throughout the challenge, pupils encouraged and supported one another every step of the way, making it a wonderful example of teamwork, perseverance and personal achievement. Congratulations to everyone who took part on this fantastic accomplishment.

Competitive Spirit in the Javelin Event

Welsh Council Celebrates the Welsh Language

It has been another busy term for the Welsh Council at Ysgol Eifionydd, with members organising a wide range of activities to promote the Welsh language and celebrate Welsh culture throughout the school.

One of the highlights of the term was Eisteddf-OD Eifionydd 2026—a week packed with fun and creative competitions that encouraged pupils to take part, build confidence and use Welsh in an informal and inclusive environment. Throughout the week, pupils competed in a variety of challenges, including reciting a passage without punctuation, Welsh folk dancing, creating artwork on the theme of Wales, making music using unconventional "instruments", and even a song gargling competition!

A huge thank you to the members of the Welsh Council for all their hard work in organising the week, and to the staff who judged and supported the activities.

School Awards Day

On Wednesday, Ysgol Eifionydd held its annual Awards Day to celebrate our pupils' achievements throughout the year.

Awards were presented in every subject and every year group, recognising achievement, effort and progress.

Congratulations to all of this year's award winners, and thank you to everyone for contributing to another successful year at Ysgol Eifionydd.

Year 9 Health and Wellbeing Day

Year 9 pupils enjoyed a fun-filled day of challenges and new experiences as part of their Health and Wellbeing Day. Throughout the day, pupils took part in a wide range of practical activities, including problem-solving and innovation workshops with Aled and Peredur Williams from the Product Design Department at Bangor University, as well as a cookery workshop where they made delicious pizzas with Ursula and Megan from Harlech Food Service.

Pupils also enjoyed playing rounders, taking part in a Wild Craft session with Miss Mirain Rhys, and choosing from a variety of exciting activities, including beauty sessions with Miss Nia Jones, an obstacle course with Mr Gareth Crowe, golf with Mrs Lyn Parry Hughes and Mrs Helen Puw, or a Duke of Edinburgh trip to Blaenau Ffestiniog.

It was a highly successful day, providing pupils with opportunities to develop new skills, work as a team and enjoy valuable learning experiences beyond the classroom.

Train Journey

The end of the academic year was approaching and a Ffestiniog Railway train trip was organized for our Year 7 students following the slate route from Blaenau to Porthmadog. All were present for a chat, laughs and to appreciate splendid local views. It's quite impossible to imagine all the horsepower needed to pull the empty wagons back daily to Blaenau in the early industrial era.

Best wishes to our students on their return to Year 8 in September.

Dinorwig Hospital

At the beginning of July, a group of our Year 10 History pupils visited the historic Dinorwig Hospital in Llanberis. During the visit, they explored the fascinating history of the hospital and enjoyed the opportunity to make their own herbal medicine, giving them a hands-on insight into historical healthcare practices. It was an engaging and memorable learning experience that brought their studies to life.

Year 9 Wellbeing Workshop

Year 9 pupils took part in a special wellbeing workshop led by Alaw Owen from Nerth dy Ben and Karen Wynne.

The sessions were delivered in a welcoming, supportive and safe environment, giving pupils the opportunity to discuss the importance of looking after their mental wellbeing, develop positive coping strategies and gain a better understanding of how to care for themselves and others.

The workshop was a valuable and rewarding experience, and we are extremely grateful to Alaw and Karen for sharing their expertise and delivering such inspiring and supportive sessions.

Year 8 pupils recently enjoyed two memorable outdoor adventures, with groups climbing Glyder Fach and Moel Siabod. By hiking and scrambling in a challenging mountain environment, pupils developed their teamwork, communication and resilience. It was wonderful to see everyone supporting one another, responding positively to challenges and enjoying unique experiences in the beautiful surroundings of Eryri (Snowdonia). Well done to everyone for their effort, determination and positive attitude throughout both trips.

Learning Life-Saving Skills with Welsh Water

As part of the school's wellbeing and safety programme, our pupils took part in an important Water Safety presentation delivered by Welsh Water (Dŵr Cymru).

Using real-life examples and scenarios, pupils were encouraged to think about the dangers associated with water and learn how to make safe decisions when visiting rivers, lakes, reservoirs and the coastline.

The session was an invaluable learning experience that highlighted the importance of awareness, responsibility and personal safety. We would like to thank Welsh Water for delivering such a timely and informative presentation, helping our pupils develop skills that could one day save a life.

ANGORI I-RAGORI

As part of the Angori i-Ragori programme, a group of Year 10 pupils attended a Gwynedd Seren Academy workshop in Caernarfon.

During the morning, pupils took part in interactive sessions led by specialists and guest speakers, exploring a variety of academic and career pathways, including medicine, engineering, law, the arts and the media. The workshop provided an excellent opportunity to broaden their horizons, challenge their thinking and inspire their future ambitions.

The visit forms part of Ysgol Eifionydd's Angori i-Ragori provision, which supports our More Able and Talented learners by offering enrichment opportunities, academic challenge and unique experiences in partnership with the Welsh Government's Seren Academy.

A Walk to Borth y Gest

Year 8 and 9 pupils enjoyed a lovely walk to Borth y Gest as part of their end-of-term wellbeing activities. The trip provided a wonderful opportunity to enjoy the outdoors, spend time with friends and promote health and wellbeing in a relaxed setting. Our sincere thanks go to Mrs Eiliw Haf Roberts and Mrs Helen Puw for organising these enjoyable trips.

Happy Summer!

Thank you all for another busy and successful term.

Have a wonderful summer holiday, stay safe, and we look forward to welcoming you back in September.

Important Dates

School Reopens: Thursday, 3 September at 8:55am
