

# SCHOOL UNIFORM POLICY

(Draft)

## 1. INTRODUCTION

a) The school's policy is that all children wear a school uniform when attending school or when participating in a school organised event outside normal school hours.

b) This policy is based on the belief that the school uniform is:

- i. Uniform links the pupils to the school and creates a sense of pride and belonging.
- ii. Making all children feel equal in appearance
- iii. Contribute towards maintaining standards of discipline.

c) The school uniform policy is an integral part of the school's commitment to equality and inclusion. The school's Governing Body believes that school uniforms allow all the school's pupils to establish a sense of identity by celebrating what they have in common, whilst also respecting diversity.

- All clothes that are not claimed at the end of each term will go to a nearby clothes bank or be recycled within the School.

#### **Failure to comply:**

If the pupil does not comply with the School Uniform Policy and the rules noted above, teachers will raise the matter with the pupil. In the event of a regular failure to follow the Policy the teacher will take the following steps:

- First Warning - A verbal warning will be given to the pupil with an explanation of what does not comply with the Policy. The pupil will be kept in lunchtime detention.
- Second warning – Pupil will be placed in internal suspension.
- Third warning – Pupil will be segregated until they conform with the uniform rules and the matter is resolved.

In very rare cases, where a pupil's lack of attendance is a major concern the Management Team will prioritize the safety and inclusion of the pupil over ensuring that the uniform is correct. However, the pupil will be expected to comply with the uniform in the long term.
